

Ajax Superior Internal Battery

Rechargeable Li-ion batteries to install into Ajax Superior Hub G3 Jeweller or Ajax Superior ReX G3 Jeweller

This is a device of the Superior product line. Only accredited Ajax Systems partners can sell, install, and maintain Superior products.

Reliable backup power for compliant security

Rechargeable internal batteries for Ajax Superior Hub G3 Jeweller and Ajax Superior ReX G3 Jeweller provide autonomous and uninterrupted system operation during power outages. Two versions of Ajax Superior Internal Battery are available: 16-hour and 60-hour. The 16-hour battery ensures that the system meets Grade 2 requirements, while the 60-hour battery enables compliance with Grade 3. Such backup capacity perfectly complements the Ajax intrusion protection system, the world's first wireless Grade 3 system.

Quick installation and setup

- Ready to use right out of the box
- Connected to the device in 2 minutes
- Can be hot-swapped without powering down the hub or range extender
